ROYAL BALOUCH PERSIAN rugs are highly desirable amongst collectors.
and make a great investment and will appreciate more in value with time.

Hand made rugs often take up to two or more years to complete. These are 100% hand made with no two rugs exactly alike reflecting the rug maker's individual preferences and craftsmanship. They are considered excellent and have no stains, tears, or holes.

BALUCH rugs are woven by the nomadic Baluchi ethnic groups of Western Afghanistan and Eastern Iran. Very geometric and intricate in design, borrowing largely from Turkoman influence especially in the use of the "gul" or elephant foot motif. They also weave saddlebags, salt bags, prayer rugs, which reflect their nomadic way of life.
