OVERDYED PERSIAN RUGS

Latest Fashion Trend. Overdyeing is a technique traditionally performed on vintage handwoven wool carpets and creating this look involves a process of bleaching, dyeing and washing which produces a carpet that's richly saturated in color and you can still see the original pattern peeking through. Overdyeing is a technique traditionally performed on vintage handwoven wool carpets and creating this look involves a process of bleaching, dyeing and washing which produces a carpet that's richly saturated in color and you can still see the original pattern peeking through. It's a beautiful way to make an old traditional rug feel modern. I especially love the styles that are worn and threadbare " they have so much character and soul! Plus incorporating these into your decor is a great way to make a bold color statement in a space. It's a beautiful way to make an old traditional rug feel modern. I especially love the styles that are worn and threadbare " they have so much character and soul! Plus incorporating these into your decor is a great way to make a bold color statement in a space.
